Full Description

Entrance Lobby

Entrance Lobby has luxury carpet to the floor, radiator, and a handy storage cupboard under the stairs. There are carpeted stairs leading you to the first floor and doors taking you into the kitchen/ diner, downstairs cloakroom, and lounge areas.

The front door already has power cables installed should you wish to connect your own smart doorbell.

Lounge 4.76m x 2.86m (15ft8 x 9ft5)

Half glazed internal door leads to a large lounge with carpet to the floor and French doors leading onto the private rear garden. The property is fibre ready with cabling already installed allowing for third party internet and / or tv satellite installation without internal disruption (see each property for details).

Kitchen 2.68m x 3.56m (8ft10 x 11ft8)

Half glazed internal door leads you into the Kitchen, The Kitchen has luxury vinyl to the floor covering, radiator, a window to the front elevation. It comes complete with modern base and wall units, an inset sink and complementary work surfaces. There is an integrated fridge-freezer, fitted oven, induction hob with extraction hood over, integrated fridge freezer and dishwasher. A washing machine space is provided under the worktop.

Cloakroom WC

Accessed from the entrance hall with a WC with soft close seat, sink, extractor fan and towel radiator. The floor is laid with luxury vinyl flooring.

Landing

Leading to the bedrooms and family bathroom, the landing has a carpet to the floor and a radiator. Access to the loft area and a storage cupboard is located off the landing for your storage needs.

Bedroom One 3.78m x 3.86m (12ft5 x 12ft8 largest dimensions)

The main bedroom is located off the landing, there is carpet to the flooring and access to the ensuite. There is a radiator, and the window overlooks the front elevation. A tv point is also provided.

Ensuite 2.25m x 1.70m (7ft4 x 5ft7)

The ensuite is fully tiled (floor and walls) and has a contemporary shower, soft close WC, sink, electric shaving point, extractor fan, spotlights to the ceiling and a towel radiator. The window overlooks the front elevation.

Bedroom Two 2.49m x 3.70m (8ft2 x 12ft2)

Bedroom Two is located off the landing, there is carpet to the flooring and a radiator. The window overlooks the rear elevation. A tv point is also provided.

Family Bathroom 2.17m x 2.23m (7ft2 x 7ft4)

A good-sized family bathroom with fully tiled walls and floor. Complete with wash basin, low level soft close WC, bath, shower screen, shower and extractor fan. There is a window overlooking the rear, spotlights to the ceiling, and a towel radiator.

Externally

The attractive, modern exterior has a welcoming entrance with canopy over. It has a side driveway for 2 cars with access to the rear private rear garden via a gate. Here you will find a patio area and lawned garden, security light with fencing all round. There is also an external water tap provided to help with washing your car or watering your garden.

External stone detailing to all facades such as stone window heads, sills, gable, eaves detailing really does finish this property. Very high-quality standard and detailing is unique to this development.

PREDICTED ENERGY ASSESSMENT

Design SAP
elmhurst energy

House Type A: PE HIL, Langwith, Nottinghamshire

Dwelling type: House, Semi-Detached

Date of assessment: 28/06/2022

Produced by: SJI Designs Ltd

Total floor area: 73.02 m²

This document is a Predicted Energy Assessment for properties marketed when they are incomplete. It includes a predicted energy rating which might not represent the final energy rating of the property on completion. Once the property is completed, this rating will be updated and an official Energy Performance Certificate will be created for the property. This will include more detailed information about the energy performance of the completed property.

The energy performance has been assessed using the Government approved SAP2012 methodology and is rated in terms of the energy use per square meter of floor area. The energy efficiency is based on fuel costs and the environmental impact is based on carbon dioxide (CO₂) emissions.

Energy Efficiency Rating	Environmental Impact (CO ₂) Rating

England

This report has not been submitted through the Elmhurst Energy members' portal, therefore results are subject to change when the dwelling is completed.
